Career Summary

Brandon Sessions specializes in medical and office real estate throughout the greater Sacramento region, representing healthcare providers, business owners, investors, and developers in leasing, acquisitions, dispositions, tenant representation, and condominium development. With more than 15 years of commercial real estate experience, he is known for delivering strategic guidance, market expertise, and a client-focused approach tailored to each assignment.

Brandon manages a diverse portfolio of clients, including physicians, dentists, surgical centers, medical practices, and business owners. He understands that every transaction represents a unique business objective and is committed to helping clients make informed real estate decisions that support their long-term growth and operational needs.

Prior to entering commercial real estate, Brandon owned and operated his own business for 11 years and served as a full-time paramedic

throughout the greater Sacramento area for more than five years. His firsthand experience working within hospitals, medical offices, nursing facilities, radiology centers, and surgical facilities provides him with a unique understanding of the challenges and real estate requirements facing healthcare users.

Throughout his career, Brandon has earned recognition for his brokerage achievements, including multiple ACRE industry nominations and Top Producer honors. His success is built on strong relationships, in-depth market knowledge, and a commitment to understanding the individual goals of every client and assignment.

By combining commercial real estate expertise, business ownership experience, and an insider's perspective on the healthcare industry, Brandon provides clients with practical, results-driven solutions designed to maximize value and support long-term success.
