Corning Crossroads is a high visibility commercial development opportunity located at the southwest quadrant of Corning Road and Interstate 5 in Corning, CA.

Visible to approximately 40,000 cars per day, this ±9.07 (gross) acre/±7.22 (net) acre project is at the main access point to the City. The project has an approved 100' pylon sign visible to both north and south bound travelers on Interstate 5.

A “way-stop” opportunity, Corning is the second largest city in Tehama County and is situated along Interstate 5 approximately 113 miles north of Downtown Sacramento and 49 miles south of Redding.

Known as the “Olive City”, Corning boasts being the home to the Bell Carter Food Company; the largest producer of table olives in the U.S. and the second largest in the world. Bell Carter employs approximately 500 full time positions. In addition, Corning is part of an extended trade area that includes the rural communities of Los Molinos, Orland and Red Bluff.

This site offers multiple opportunities to benefit from the combination of excellent freeway access and visibility, the area's underserved retail presence and future growth potential in Corning.

		5-Mile	7-Mile	10-Mile
	2025 Total Population	13,104	15,432	21,675
	2025 Daytime Population	11,285	13,304	18,410
