# PROPERTY OVERVIEW

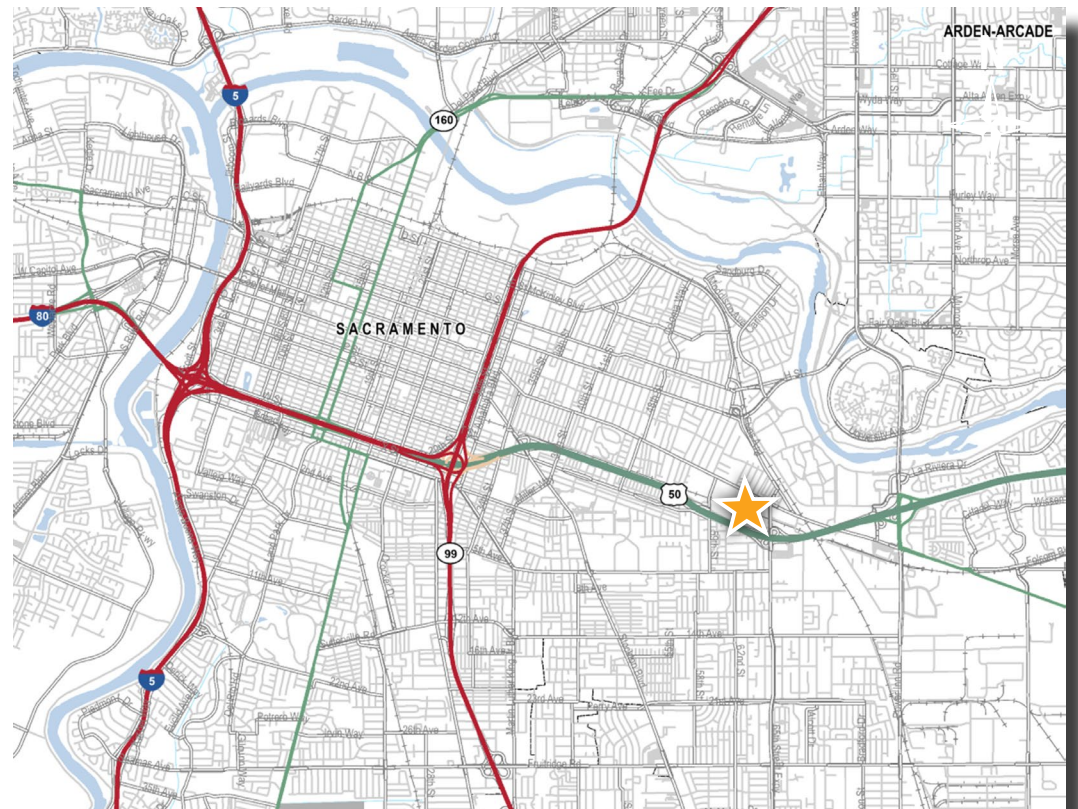

One of the most unique and contemporary mixed-use projects in the Sacramento region, F65 is ideally located in the heart of the East Sacramento trade area.

Situated at the southwest corner of Folsom Boulevard and 65th Street, just off of the Highway 50 interchange, F65 boasts ±33,180 square feet of high visibility retail space and eight second-story loft residences.

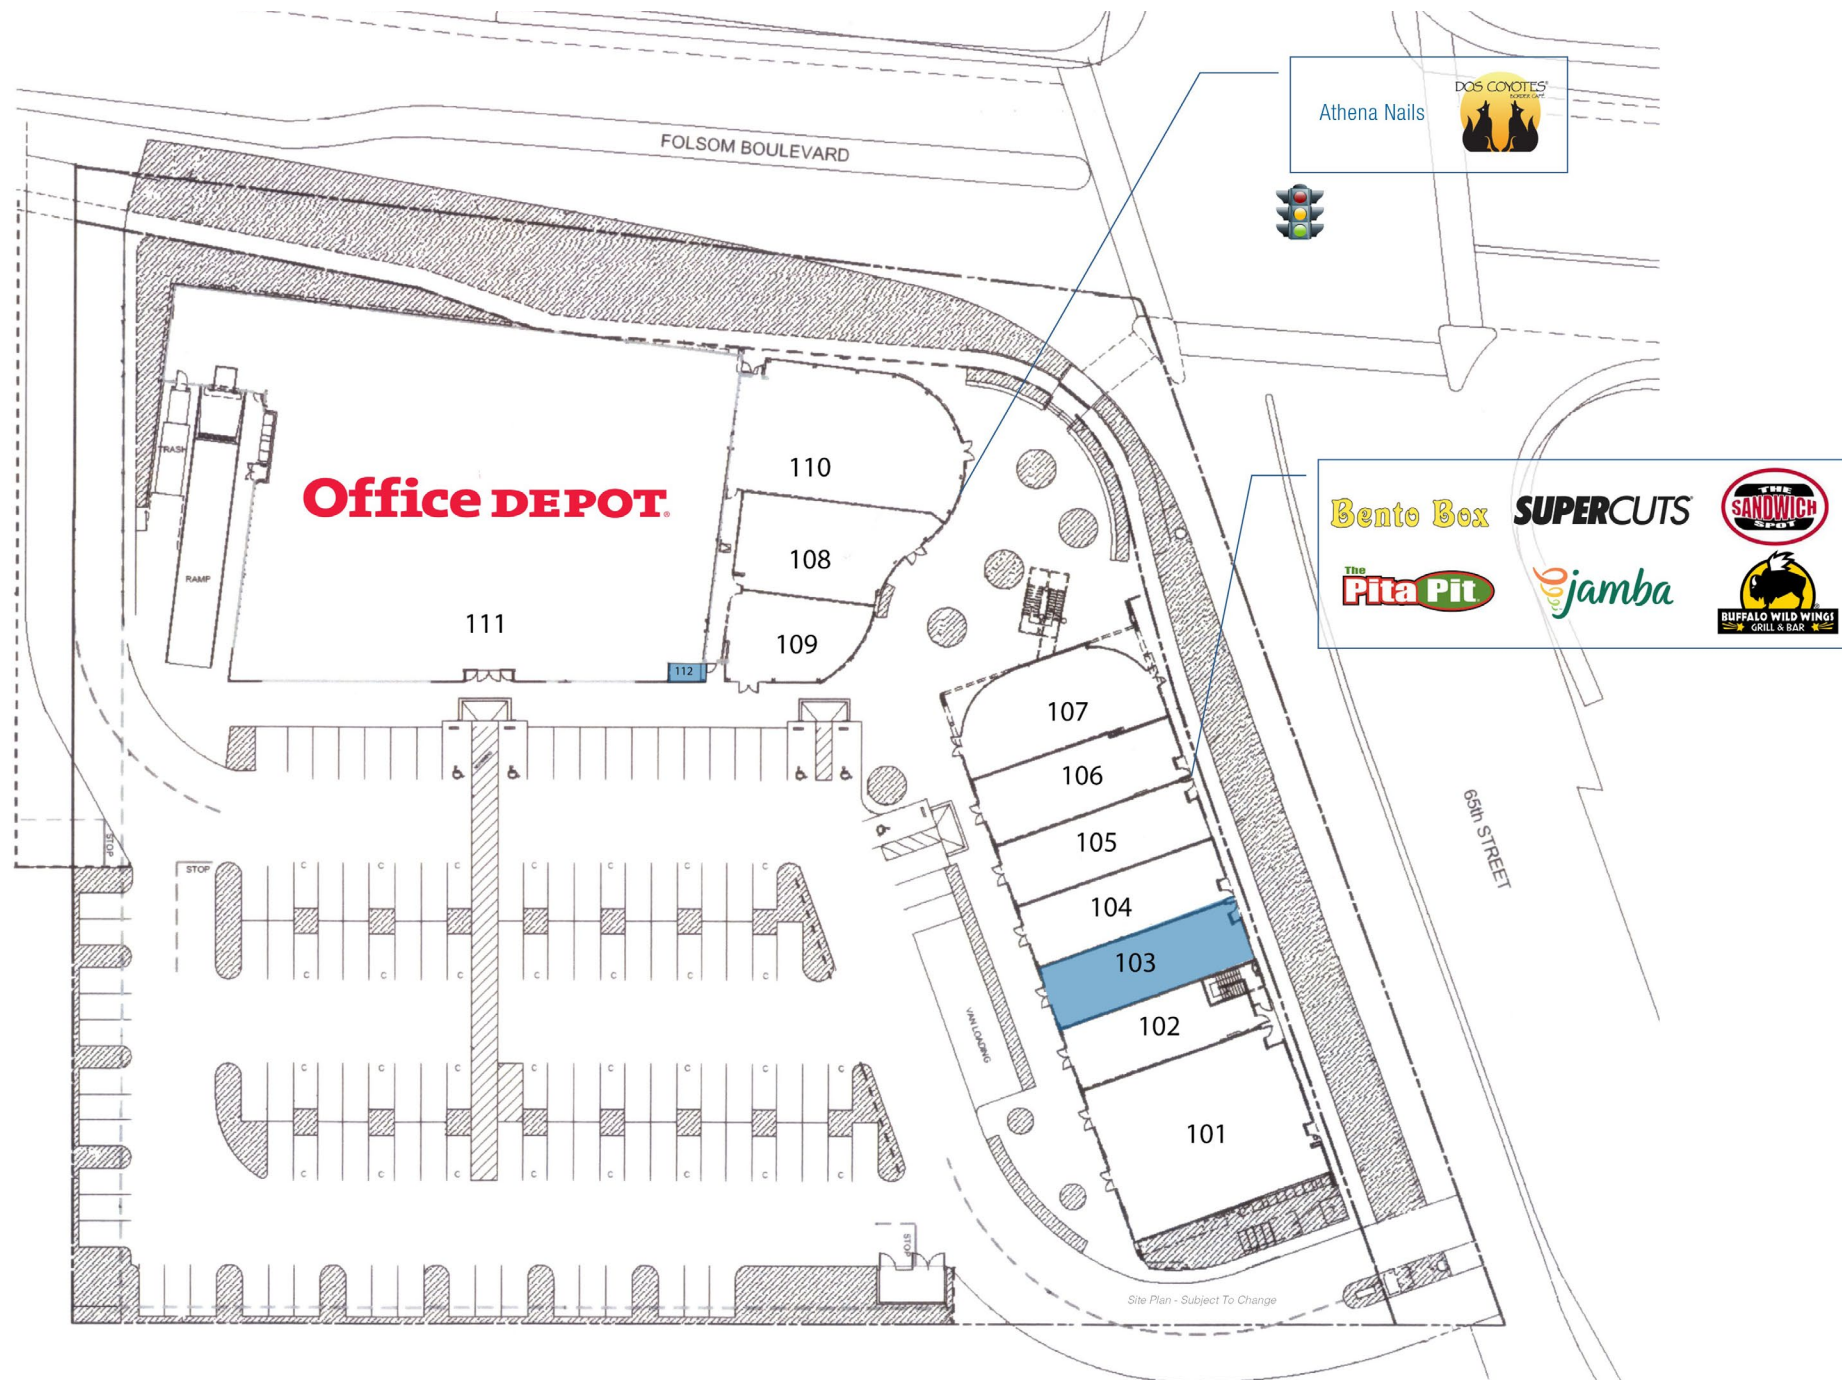

Folsom Boulevard is a primary traffic artery that connects Downtown Sacramento and East Sacramento and provides direct access to Highway 50. More than 40,000 cars travel the intersection daily.

F65 attracts “urban pioneers” with on-the-go lifestyles and is within walking distance of Sacramento State University’s 300-acre campus and approximately 31,000 students.

Other significant traffic generators include the SMUD Headquarters building, which employs more than 2,000 people, and the 65th Street Light Rail Station.
