SEE YOURSELF HERE.

WESTGATE VILLAGE will be a mixed-use development located in a major growth corridor at the northwest corner of W. Battles Road and S. Blosser Road in western Santa Maria, California.

This high visibility development opportunity will consist of 6 retail pads which will be available for Build to Suit or Ground Lease along with an 81-unit apartment complex.

WESTGATE VILLAGE is ideally positioned at a high traffic intersection along one of the trade area's busiest north/south corridors and is in the "path of progress". There are 3,700 additional residential units under review or approved by the city within a 2.5 mile radius. With a city population of approximately 107,400 people, the City of Santa Maria is the largest, fastest growing city in Santa Barbara County.

As the main north/south Western Santa Maria commuter corridor continues to spread its residential and commercial base, this rare "whole block" development opportunity lends itself to multiple uses to serve this evolving community. With two existing parcels, this site has the ability for blended uses such as apartments and commercial uses (subject to City approval).

Santa Maria is situated approximately 17 miles south of Pismo Beach and 16 miles northeast of Vandenberg Air Force Base and is part of California's Central Coast in Santa Barbara County. The Santa Maria Valley region is a world-renowned winemaking area and boasts being the home to dozens of world-class wineries and vineyards.
