Important Considerations

- ** Conventional injection does not include closing costs, 3rd party fee(s), and potential contingency for construction loans
- ** SBA programs have potential to finance up to 90% of closing costs into the loan - Up to 100% financing may be available with 7a structure
- **The SBA 7a term includes several initial interest rate options.
- ** This is not an offer to lend and rates and terms are subject to change
