Career Summary

Prior to joining Gallelli Real Estate, Adam spent over a decade in the construction industry, learning several valuable trades. For the last 7 years of his construction career, Adam was in project consultation and project management where he met with thousands of clients to design and sell equipment as well as manage installations and focus on client relationships.

Adam's key interest in commercial real estate is due to the careers held by his friends and family. He has always been surrounded by people who share the same passion for real estate in a variety of ways. He feels his experience in construction, sales and client relations have helped him prepare for a thriving career with Gallelli Real Estate.
